Report Spotlight

Report name: **Class Roster - List Format**

Navigation path: Student Records > Reports > Class Roster - List Format

Description: Displays academic information including class grade for students enrolled in a given class by Course/Class/Section. Allows for download to Excel in one worksheet and includes an optional student group prompt.

Production Releases

	Report Name	Team Content Navigation Path	Summary
New	Students EDF Status	Admissions > Reports	Displays the EDF Status of students for the selected term and career including their citizenship status.
Updated	Student Addresses	Student Records > Reports	Added Plan Code to Plan selection and Subplan Code to Subplan selection so users can see there were multiple versions to pick from with the same name.
	Student Addresses - International Students	Student Records > Reports	Added Plan Code to Plan selection and Subplan Code to Subplan selection so users can see there were multiple versions to pick from with the same name.
	Student Courses	Student Records > Reports	Retrieved the department name from the max term code row for the selected terms. Added Plan Code to Plan selection so users could see there were multiple versions to pick from with the same name.
	Student Courses - Dropped/Withdrawn	Student Records > Reports	Added Plan Code to Plan selection so users can see there were multiple versions to pick from with the same name.
	Student Courses - Pass/NoPass	Student Records > Reports	Added Plan Code to Plan selection so users can see there were multiple versions to pick from with the same name.
	Student Courses - Math Enrollment/Tests	Student Records > Reports	Added Plan Code to Plan selection so users can see there were multiple versions to pick from with the same name.
	Student Enrolled Unit Totals	Student Records > Reports	Added Plan Code to Plan selection and Subplan Code to Subplan selection so users can see there were multiple versions to pick from with the same name.
	Course Waitlist History	Student Records > Reports	Retrieved the department name from the max term code row for the selected terms. Added Plan Code to Plan selection so users can see there were multiple versions to pick from with the same name.
	New Transfer Student Detail	Admissions > Reports	Changed the report to use department, program, plan codes instead of names. The department name changes in 2023 was impacting the Department filter.
	Degree Requirements Completion	Student Records > Reports > Degree Requirements	Redid prompt queries for college, department, plan and subplan. Added filter to prompt query to filter for current term only to eliminate approximate duplicates such as "Accounting" and "Department of Accounting"
	Unmet Gen Ed Math Upperclass	Student Records > Reports > Degree Requirements	Redid prompt queries for college, department, and plan. Added filter to prompt query to filter for current term only to eliminate approximate duplicates such as "Accounting" and "Department of Accounting"

Student Plan Changes	Student Records > Reports	Retrieved the department name from the max term code row for the selected dates. Did the same for plans and subplans. Added Plan Code to Plan selection so users can see there were multiple versions to pick from with the same name.
Department Charges and Reversals by Term	Student Accounts > Departmental Reports	Added summing to the report query. Line Amount and Applied Amount needed to have detail aggregation as Total. The other fields Item Amount and Amount Standing need to have detail aggregation set to None.
Department Charges and Reversals by Date	Student Accounts > Departmental Reports	Added summing to the report query. Line Amount and Applied Amount needed to have detail aggregation as Total. The other fields Item Amount and Amount Standing need to have detail aggregation set to None.
Constituent	Advancement > Reports	Added multiple fields to the report such as degree year, major, department, college, email, and legacy. Changed the prompts to include up to the seventh degree year, department, major and college.
Weekly Application Summary	Admissions > Reports	Added text, 'Counts will be reduced when the summer term is completed' so users will know why counts drop in the Fall & Summer pages when the fall term begins.
Teacher Ed Weekly Application Summary	Admissions > Reports	Added text, 'Counts will be reduced when the summer term is completed' so users will know why counts drop in the Fall & Summer pages when the fall term begins.
Multiple Funds - Summary	Budget Center > Reports > Multiple Funds Summary	Added Service Account to the report.
Plans and Subplans - Active	Student Records > Reports	Added Last Admit Term code to the report for Plans and Subplans.
